

A Chart for Each Child

Here's a quick way to keep track of what you have learned about each child, and to remind yourself how you can use what you have learned!

Name: _____

Date: _____

<u>Question:</u>	<u><i>How do I know?</i></u> <u><i>(Where is the proof?)</i></u>
<u>What do I know so far about this child's thinking / metacognition?</u>	
<u>What do I know so far about this child's view of abilities / self-efficacy?</u>	

<p><u>What do I still need to find out about this child?</u></p>	
<p><u>How could this help me as this child's teacher? How could I use this knowledge in my classroom?</u></p>	
<p><u>What really worked? What specifically did I do that let me find out this information?</u></p>
